**YOUR REFERENCE: INTRODUCTION**

**REFERENCE DATE**

**AyaSoft Solutions: Your Partner in Commercial Management**

**AyaSoft is not compatible with 32-bit systems. It operates exclusively on 64-bit systems.**

AyaSoft Solutions is a commercial management software available in German, English, Arabic, and French. By clicking on the flag of the respective country, you will be directed to your AyaSoft software in the selected language.

**AyaSoft is composed of several modules:**

- 1) \*Articles Module\*
- 1.2) \*Technical Module\*
- 2) \*Orders Module\*
- 3) \*Contacts/Clients Module\*
- 4) \*Correspondences Module\*
- 5) \*Quotes Module\*
- 6) \*Identifications Module\*
- 7) \*Sales Module\*

**Function Descriptions**

In each module, you will find the following functions:

- \*Preview before Printing\*
- \*Print\*
- \*Browse with Arrows\* (Forward, backward, go to first or last)
- \*Show All\* (To activate all records)
- \*Return\* (To return to the input file)
- \*Ignore\* (To hide the active file)
